Prior Learning – sticky Knowledge I have.

I can use a range of tools competently, safely and confidently.
 I can explore, use and refine a variety of artistic effects to create a range of models.
 I can create models collaboratively.
 I can share my ideas.

What I will learn – new sticky knowledge.

I will remember different types of food you might take on a picnic.
 I will remember where some foods come from.
 I will remember what foods are farmed, caught or grown.
 I will be able to chop food safely.
 I will be able to grate food safely.
 I will be able to follow a recipe.
 I will remember what food we need to eat to ensure a healthy diet.

Design Process

Research

Look at a product to see how it has been made.

Skills

Practise and learn new skills to make the final product.

Design

Design the product using knowledge from research and skills learned.

Prototype

Make the prototype and identify any changes needed for the final design.

Make

Make the final product using skills learned.

Evaluate

Evaluate the final product.

Challenge

Can you find out what the following kitchen utensils are used for?

Whisk, Blender, Spatula and Ladle.

- We are Aspirational Leaders: * Responsibility and respect *Creativity, innovation and curiosity *Confidence and resilience

Key Vocabulary

How well do I understand our key vocabulary?

			
healthy			
caught			
grown			
protein			
farmed			
carbohydrate			
nutrition			
ingredients			

What sticky knowledge can I remember from my learning?

Blank area for sticky knowledge.

Challenge

Can you find out what the following kitchen utensils are used for?

Whisk, Blender, Spatula and Ladle.
