your reading Parents to sign the diary each week And hand into school on Friday.

A weekly maths task relating to learning in class is set on Friday.

handed in on This is Wednesday. handed in on Wednesday.

Half termly challenges will go home in week one and are due in by the first day of the new half term.

Aut 1 set 6.9.23 due 31.10.23

Aut 2 set 24.10.23 due 3.1.24

What to wear.

Monday - PE kits Tuesday - School uniform Wednesday - PE kits Thursday - School uniform Friday - School uniform Changes will be communicated through Seesaw. Please ensure that children have a water bottle each

We are reading.

Reading Routines

We are keen to raise the profile of reading. Children should read for at least 10 minutes everyday and record this in their diary. If they do not finish the book, they should write the page number that they read to When they finish a home reading book, they should write a comment and bring this to school so that we can issue a new book. In addition, children will read everyday at school and share a class story each day. We also have access to the library each week where they can choose from a wide selection of books to encourage reading for pleasure. Please noté that damaged or missing books will need to be replaced or paid for.

Rewards and Achievements

When children are doing well they can earn dojos. The pupil with the most dojos will receive a certificate during good news assembly and be entered into a prize draw at the end of the half term. You have been sent a parent login so you can celébrate your child's achievements.

A class star is awarded each week for children modelling our school values. This certificate will be presented during Good News Assembly.

Children earn team points for good work. They collect points for our school teams - Oak, Pine, Elm and Chestnut. The winning team receive a trophy in Good News assembly each week

Sanctions. Where children are not meeting school's expectations and following our golden rules -Warning – the rule being broken is explained and children are supported to recognise our expectations. Yellow Cărd - despite a warning, children continue to break golden rules. 5 minutes of play withdrawn. Red Card - continued breaking of rules results or a serious incident result in a red card. Parents are informed and children miss 10 minutes of break time. 3 red cards result in details being passed to the senior leadership team.

How is my child doing at school?

Class Dojo - Keep up to date with your child's effort at school.

School Rewards - Look out for stickers and certificates celebrating your pupil's achievements!

Feedback is given on homework tasks

Parents' Evening - Autumn B and Spring B

Interim Report - Spring A

End of Year Report - Summer B
